

JOIN US FOR AN EDUCATIONAL DINNER FOR PRACTICE OWNERS:

A NUTRITIONAL APPROACH TO CHRONIC DISEASE MANAGEMENT

..... We know your time is valuable
**PRACTICE OWNERS RECEIVE A
 \$100 HONORARIUM**

Join VRS veterinary specialists for a live webcast and formal dinner as they share their approach to managing diseases, including atopic dermatitis, osteoarthritis and liver disease.

Hear the results of our landmark omega-3 clinical studies and what separates our veterinarian owned and operated company from others.

WHY VETERINARIAN RECOMMENDED SOLUTIONS®?

Instead of national advertisements, we believe in placing our efforts in clinical research and medical education. We are loyal to veterinary medicine, which is why our broad line of nutraceuticals and therapeutic diets are only available through veterinarians.
