## Parasitology & Diagnostics: What's New and Why It Matters

Yoko Nagamori, DVM, MSc, Diplomate American College of  
Veterinary Microbiologists – Parasitology

Do you still find and treat ‘worms’ in your canine and feline patients? Then this event is for you! We invite you to spend an evening with a board certified parasitologist. You’ll learn about new and innovative methods for more accurately diagnosing intestinal parasites in your practice.

This event is  
RACE Approved for  
1.0 Hour of CE!
